

SHEET 01

# The Harbor Depot

Addition Within 100 · Pelican Pete's Tidy Dock

**Directions** — Add each cargo manifest. **Tens with tens, ones with ones** — the ones never spill over on this dock.

**CARGO NUMBERS**

**23 + 14:** containers hold **ten**, barrels are **ones**. Stack containers with containers, barrels with barrels — no spills!

**PETE'S RULE**

"Tens with tens, ones with ones. A tidy dock is a happy dock."

**WATCH IT WORK**

$$\begin{array}{r} 23 \\ + 14 \\ \hline 37 \end{array}$$

$$\begin{array}{r} 23 \\ + 14 \\ \hline \square\square \end{array}$$

**2**

$$\begin{array}{r} 45 \\ + 32 \\ \hline \square\square \end{array}$$

**3**

$$\begin{array}{r} 61 \\ + 18 \\ \hline \square\square \end{array}$$

**4**

$$\begin{array}{r} 72 \\ + 16 \\ \hline \square\square \end{array}$$

**5**

$$\begin{array}{r} 34 \\ + 25 \\ \hline \square\square \end{array}$$

**6**

$$\begin{array}{r} 50 \\ + 29 \\ \hline \square\square \end{array}$$

**7**

$$\begin{array}{r} 26 \\ + 13 \\ \hline \square\square \end{array}$$

**8**

$$\begin{array}{r} 41 \\ + 47 \\ \hline \square\square \end{array}$$

**9**

$$\begin{array}{r} 65 \\ + 22 \\ \hline \square\square \end{array}$$

**10**

$$\begin{array}{r} 13 \\ + 74 \\ \hline \square\square \end{array}$$

**11**

$$\begin{array}{r} 82 \\ + 15 \\ \hline \square\square \end{array}$$

**12**

$$\begin{array}{r} 30 \\ + 44 \\ \hline \square\square \end{array}$$

**13**

$$\begin{array}{r} 24 \\ + 53 \\ \hline \square\square \end{array}$$

**14**

$$\begin{array}{r} 62 \\ + 27 \\ \hline \square\square \end{array}$$

**15**

$$\begin{array}{r} 35 \\ + 41 \\ \hline \square\square \end{array}$$

★ **Boss Problem**

**16.** The last two barges of the day! One carries **70** crates, the other **18**. Pete needs the full manifest — how many altogether?

$$\begin{array}{r} 70 \\ + 18 \\ \hline \square\square \end{array}$$
