

SHEET 07

The *Odd* Sock

Even & Odd · Laundry Day

Directions — Socks come out of the wash in **pairs**. If one sock is left over, the number is **odd**. Write **even** or **odd** on every tag.

WARM-UP · PAIR THEM UP

7 socks came out of the wash. Pair them up — one is left over!

WARM-UP · THE SECRET RULE

For big numbers, only the **ones digit** decides. Circle the digit in **74** that tells you even or odd.

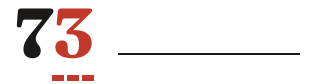

1 18 _____	2 27 _____	3 40 _____	4 33 _____	5 52 _____
6 69 _____	7 74 _____	8 81 _____	9 96 _____	10 45 _____
11 12 _____	12 59 _____	13 22 _____	14 37 _____	15 64 _____

★ **Boss Problem**

73 socks in one wash — far too many to pair up! Use the secret rule: the dashed digit decides. Write **even** or **odd**.
