

FOR GROWN-UPS

The Number Line *Subway*

## ANSWER KEY — KEEP AWAY FROM TINY HANDS

SHEET 06 / 14

*Line 2 — by 2s***1** 36, 40**2** 52, 58**3** 86, 90**4** 26, 32**5** 100, 102**6** 30, 36*Line 5 — by 5s***7** 22, 32**8** 12, 27**9** 30, 35**10** 65, 80**11** 10, 15*Line 10 — by 10s***12** 140, 170**13** 270, 290**14** 420, 460**15** 340, 370**16** ★ 730, 750

*Tip: if a route stalls, have your child ride it out loud from the first station — "48, 50, 52..." — the rhythm carries them across the blank signs. Counting by 10s over a hundreds boundary (like 290 → 300) is the one that deserves a high-five.*
