The Number Line *Subway*

Skip Counting · All Aboard with Conductor Pip

Directions — Every subway line **only stops at its own numbers**. Some station signs are missing — you're the engineer: write the missing numbers on the blank signs.

**LINE 2** STOPS EVERY 2**LINE 5** STOPS EVERY 5**LINE 10** STOPS EVERY 10★ **Boss Problem**

The **Night Express** runs to the end of the map!

— Line 2 · by 2s — Line 5 · by 5s — Line 10 · by 10s

Conductor Pip says: "Say the numbers out loud as the train hops — the pattern tells you every stop!"
