

SHEET 04

The Space Cargo Bay

Subtraction Within 100 · Night Shift with Commander Comet

Directions — Cargo is launching! Subtract each manifest. **Ones leave with ones, tens leave with tens** — nothing needs unpacking tonight.

CARGO BAY NUMBERS

34 in the bay: pods hold **ten**, crates are **ones**. When cargo launches, pods leave with pods, crates with crates.

COMMANDER'S RULE

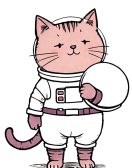

"Subtract the ones, subtract the tens. **What stays on the manifest is your answer.**"

WATCH IT WORK

★ **Boss Problem**

16. The final launch of the night: the bay holds **88** crates and **62** depart for the planet. How many stay aboard for morning?
